

**CHANGE OF PROGRAM FORM**

All program changes are subject to review and approval by the program coordinators. No more than one program change per semester is permitted. No more than two requests for program changes are allowed. Students who change programs must adopt the most current academic catalog. There will be a mandatory **\$50.00** processing fee if a student has already been accepted to a program and requests a Change of Program. This will need to be paid in full, before the change of program can be permitted.
